Ross[®] Building Products Vinyl Drip Edge*

*U.S. Patent Pending

Ross BP's Vinyl Drip Edge

- Will not Dent, Peel or Bend, resulting in NO DAMAGE and NO SHARP EDGES.
- The color is throughout the product and is made of a semi-rigid PVC that allows the product to flex and ultimately prevents denting or warping.
- The Vinyl Drip Edge is competitively priced.
- Available in Weatherwood, Black, Brown and White (paintable).
- Has a notch on each piece that provides extra strength and rigidity. This notch allows each piece to actually lock together.
