RossBP[®] Vinyl Drip Edge (VDE)

US Pat. No. D957,694

<https://codes.iccsafe.org/content/IRC2021P2/chapter-9-roof-assemblies>
R905.2.8.5

- Will not Dent, Peel or Bend, resulting in NO DAMAGE and NO SHARP EDGES.
- The color is throughout the product and is made of a semi-rigid PVC that allows the product to flex and ultimately prevents denting or warping.
- The Vinyl Drip Edge is competitively priced.
- Available in Weatherwood, Black, Brown Almond and White (paintable).
- Has a notch on each piece that provides extra strength and rigidity. This notch allows each piece to actually lock together.
- 1" x 2" x 10'
- 2" x 2" x 10'
- 1.5" x 1.5" x 10'
- 2" x 4" x 10'
